

## Shaun Merry

Senior Vice President, Finance

Tenneco Powertrain

Shaun Merry is Senior Vice President, Finance for Tenneco's Powertrain Division. He also has oversight of purchasing activities for the division. Previously, he was Vice President and Controller, Federal-Mogul Powertrain Finance.

Merry began his career with T&N/Federal-Mogul in 1996 as Plant Controller in Coventry, UK. During his career with Federal-Mogul, he has held positions of increasing responsibility, including Finance Manager, Valve Seats and Guides; Group Controller for Powertrain Energy; OE Sales Director for Global Ignition; Group Controller for Global Ignition; and Finance Director, Global Bearings and Ignition.

Merry is a fellow of the Chartered Institute of Management Accountants (CIMA) and a member of the Association of Accounting Technicians (AAT). He is in the process of earning a bachelor's degree in business administration - specializing in executive management - from Cleary University, to be completed in December.
